

Sheridan County Active Member Policy (Created March 2013)

Active Member Requirements:

- Must be currently enrolled in 4-H
- Work shifts required for the Fair Food Stand
- Complete Pin Application yearly (Most Pin Applications require the Permanent Record to be turned in with the Application. The 4-H'er is exempt if all pins have already been earned. A completed application that does not earn a pin still meets the requirements.)
- Complete 2 Fair Work Days
- Complete 1 club community service
- Attend at least 4 Club Meetings a year
- Active membership will be based on the previous year. First year members are eligible for funds if 4-H leader verifies that they are working to meet active member requirements
